- Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. 3) The Figures for the second quarter and half ended
- The Company operates in one reportable business segments i.e NBFC activities
- 5) Previous period figures have been regrouped/rearranged wherever necessary, to confirm to the current period figures.
- During the quarter ended September 30, 2021, the outbreak of the coronavirus disease of 2019 (COVID: 19) spread throughout the world and became a global pandemic. Consequent to this, on 24th March, 2020, the Government of India declared a nationwide lockdown throughout the country which has impacted the business activities of the Company. The Company has been following all the safety guidelines as suggested by Government after resumption of lockdown. However, management believes that it has taken into account all the possible impacts known events arising from COVID-19 pandemic and the resultant lockdowns in the preparation of financial results including but not limited to its assessment of company's liquidity and going concern, recoverable values of trade receivables, and other assets. The Company cannot fully estimate the accurate future impact of COVID-19 on our operations but we can say that it may affect the future profitability and revenue and the management will be ensuring that the business operations are carried out smoothly. The above

parameters are contingent as it may and may not

happen and the Company will provide regular updates

as and when in any situation if any major chances occur.

approved by the Board of Directors at their meeting held on November, 12, 2021. It has been subjected to limited review by the statutory auditors of the company. The outbreak of COVID - 19 pandemic across the globe and in India has contributed to a significant decline and volatility in global and Indian financial markets and a slowdown in economic activities . The extent to which the COVID - 19 pandemic will impact the Company's provision on assets and future results will depend on future dvelopments, which are highly uncertain. Given the uncertainty over the potential macroeconomic condition, the Impact of COVID - 19 pandemic may be different from that estimated
